

Brazil Visa Application - Instructional Guide:

The following instructions will assist you in successfully completing your online visa application form for Brazil.

Overview of Key Tips for Completing Your Online Visa Application:

- Allot plenty of time to complete and process your visa application.
- All dates must be submitted in the following format: MM/DD/YYYY.
- Your name and passport number must be displayed *exactly* as they appear in your passport.
- Save your online application as you complete it.
- Your Brazil Application Delivery Receipt must be printed, signed, and have a photograph attached. Please include all of the above in your completed visa application kit that you submit to us.

Brazil Online Application Form Instructions:

1. Open your internet browser and navigate to the following website: <https://formulario-mre.serpro.gov.br/>. In the top right corner, click on the appropriate flag to select your language preference:

2. Click on the "Visa" link on the right side of the screen.

3. After clicking on the "Visa" link you will be directed to the "Brazilian Visa Application Form – General Information" page. Please take a moment to review and follow the detailed information listed on the screen.
4. When you are ready to fill out your visa application form, select the "Start New Application" button on the bottom of the page to start the online application process. You can save your application at any moment. By saving the online application form you will receive a recovery application code which will allow you to continue completing the application later, if necessary. We strongly recommend that you save your application as you complete it in order to avoid losing your work.

5. You will then be directed to the first page of your online Brazilian visa application form labeled "General Data". Provide the required information in all fields and select the "Next" button to complete the subsequent section. There are six sections in total for the online application form.
6. The question pertaining to Data on Legal Representative should be checked "Not Informed" as shown below.
